Did You Know? Library Resources

Do you know someone that is looking to get a Wisconsin driver's license? Well now in a partnership with the Department of Motor Vehicles and Infosoup, you can now practice the various tests online like the car, motorcycle, CDL test, or access the handbooks, or find frequently asked questions and find the testing questions in Spanish.

The practice tests questions for cars, motorcycles and CDLs are laid out in easy, hard and hardest sections and even include an exam stimulator as well. For more information checkout the website here
