## National Library Card Sign-Up Month

September is National Library Card Sign-Up

Month. For children, a library card is the best school supply parents can give to students. A library card opens a world of opportunity to learn and grow no matter the age or grade level of the child.

Parents- a child learns by an example, seeing an adult reading for pleasure is more likely to encourage a child to read on their own. Reading is extremely important for success in school and has been shown to increase the likelihood of success in life.

The library has a wealth of materials, for children and adults, in a variety of formats to fit every reading level. Make getting a library card a family affair and enjoy reading together. As an added bonus you can check out movies, audiobooks and magazines too!
